OSHA Docket
Docket No. H-122
Room N-2625
200 Constitution Avenue, NW
Washington, DC 20210

Dear Sir or Madam,

I am opposed to the ban of smoking. There should be places for smoking.

The restaurants in our area accommodate smokers and non-smokers. OSHA should not make those decisions. It should be up to management.

I don't see what problem it would be to provide a smoking area.

Yours truly,

Ernestine Hester
